Don't be put off by the "ugly" name - we prefer the simple title "inventory insurance", which is why our coverage is called "i3 Inventory". i3 Inventory is a single policy that insures a company's raw materials and its inventory from the source of production to its final destination, whether at a place of ... Underwater diving - Wikipedia Underwater diving, as a human activity, is the practice of descending below the water's surface to interact with the environment. Immersion in water and exposure to high ambient pressure have physiological effects that limit the depths and duration possible in ambient pressure diving. Humans are not physiologically and anatomically well adapted to the environmental conditions of diving, and ... Scuba diving - Wikipedia Scuba diving is a mode of underwater diving where the diver uses a self-contained underwater breathing apparatus (scuba), which is completely independent of surface supply, to breathe underwater. Scuba divers carry their own source of breathing gas, usually compressed air, allowing them greater independence and freedom of movement than surface-supplied divers, and longer underwater endurance ...
