Kahoot! | Play this quiz now! Roman numerals - Wikipedia The use of Roman numerals continued long after the decline of the Roman Empire. From the 14th century on, Roman numerals began to be replaced in most contexts by the more convenient Arabic numerals; however, this process was gradual, and the use of Roman numerals persists in some minor applications to this day. Chapter 6 Institutions as a Fundamental Cause of Long-Run ... 6. This brings us to the evolution of one of the two main state variables in our framework, political institutions (the other state variable is the distribution of resources, including distribution of physical and human capital stocks, etc.). Political institutions and the distribution of resources are the state variables in this dynamic system because they typically change relatively slowly ...
