It is sometimes considered synonymous with sociopathy. Different conceptions of psychopathy have been used throughout history that are only partly overlapping and may sometimes be contradictory. (PDF) ASD Validity | Lynn Waterhouse and E. London ... ASD research is at an important crossroads. The ASD diagnosis is important for assigning a child to early behavioral intervention and explaining a child's condition. But ASD research has not provided a diagnosis-specific medical treatment, or a 4 The PTSD Compensation and Pension Examination | PTSD ... This chapter provides an overview of the Veteran's Administration (VA's) posttraumatic stress disorder (PTSD) compensation process and the conducting of PTSD compensation and pension (C&P) examinations. These examinations generate the information used by raters to evaluate compensation claims and, where appropriate, to determine the level of disability—a process that is described in ...
