Public Procurement International – A resource on public ... Public Procurement International. A resource on public procurement practice, policy and law, from around the globe. Dioxins and furans: A review from chemical and ... Studies have shown that concentrations of dioxins and furans were low in the early 1900s, and showed signs of increase during the 1920s to the 1970s [18,23]. This indicates that they are mainly formed due to anthropogenic sources, as summarized in Fig. 1. In specific, any process involving organic chlorine or inorganic chlorides presents a significant source of dioxins and furans.
