Facing Extinction: The World's Rarest Birds and the Race ... I've read many books about endangered birds, and Facing Extinction: The World's Rarest Birds and the Race to Save Them is the best that I've seen at explaining how and why birds become rare. And it's filled with interesting stories, from mysteries to exciting discoveries, about rare birds. Facing Extinction: The World's Rarest Birds And The Race ... There also is a chapter on how to save the world's rarest birds (captive breeding is one approach, improving, and even creating, habitat is another). In discussing this topic, the authors raise an eyebrow over U.S. efforts, or the lack thereof, to recover species, notably in Hawai'i. Facing Extinction: The World's Rarest Birds and the Race ...
