Studies Critical Discourse Analysis, Critical Thinking, and Discourse Theory. Glenn Martinez | The Ohio State University - Academia.edu This paper explores the multiple adverse effects of limited English proficiency among Spanish speakers in the United States. In doing so, it presents a theory of language barriers that emphasizes language inequality over language difference and that suggests a pervasive role of language choice and ethnolinguistic identity in the health disparities experienced by Spanish speakers in the United ... The Power of Language - Multilingualism - Goethe-Institut As always, when "power" is spoken of, the first association is that of the power of man over man, of power as suppression of the free will by "commands" and "obedience". Power can easily appear in this connection as the root of all evil in human societies and as the opposite of freedom ... International Journal of English Language and Translation ...
