Blindsight by Peter Watts - Echopraxia Prologue "Try to touch the past. Try to deal with the past. It's not real. It's just a dream." —Ted Bundy It didn't start out here. Not with the scramblers or Rorschach, not with Big Ben or Theseus or the vampires. Most people would say it started with the Fireflies, but they'd be wrong. Blindsight - Wikipedia Blindsight is the ability of people who are cortically blind due to lesions in their striate cortex, also known as primary visual cortex or V1, to respond to visual stimuli that they do not consciously see. The majority of studies on blindsight are conducted on patients who have the conscious blindness on only one side of their visual field.Following the destruction of the striate cortex ... National Federation of the Blind of California – Live The ... HOME. The National Federation of the Blind of California knows that blindness is not the characteristic that defines you or your future. Every day we raise the expectations of blind people because low expectations create obstacles between blind people and our dreams.
