Wage - Wikipedia A wage is monetary compensation (or remuneration, personnel expenses, labor) paid by an employer to an employee in exchange for work done. Payment may be calculated as a fixed amount for each task completed (a task wage or piece rate), or at an hourly or daily rate (wage labour), or based on an easily measured quantity of work done.. Wages are part of the expenses that are involved in running ... Managerialism - Wikipedia Managerialism, on one level, involves belief in the value of professional managers and of the concepts and methods they use. Contemporary writers on management such as Thomas Diefenbach associate managerialism with hierarchy. But scholars have also linked managerialism to control, to accountability and measurement, and to an ideologically determined belief in the importance of tightly-managed ...
